

Dr. Kim Hooi
Board-Certified Internist
BVSc, DVSc, DACVIM (SAIM)

READY TO PROVIDE HIGHLY COLLABORATIVE DIAGNOSTIC AND THERAPEUTIC SERVICES

DR. HOOI'S COMMITMENT TO VETS

"My commitment is to comprehensively evaluate your patients' information prior to referral and to make diagnostic and therapeutic recommendations that allow for ongoing collaboration in patient care and management."

ABOUT DR. HOOI

Dr. Kimberly Hooi is the new full-time internal medicine specialist at Boundary Bay Veterinary Specialty Hospital. Dr. Hooi enjoys all aspects of internal medicine and the diagnostic challenge of this specialty. Her special interests include interventional radiology and endoscopy, specifically urinary and respiratory minimally invasive procedures.

Dr. Hooi worked as a professor at the University of Illinois and the University of Montreal and has worked in private specialty practice in Australia. She is looking forward to bringing her enthusiasm and skills to Boundary Bay.

Dr. Hooi is dedicated to ensuring that her patients and clients receive the best possible care by working closely with the client, referring veterinarian and other specialty services in the practice. Outside of work, Dr. Hooi enjoys cooking and anything to do with the ocean including swimming, kayaking, sailing and scuba diving. She is excited to enjoy British Columbia's stunning outdoors and live near the Pacific Ocean again.

DID YOU KNOW?

- Internal medicine specialists are specialty trained to perform advanced diagnostics and therapeutics and to create treatment plans to manage patients who have diseases that are not easily diagnosed, that do not respond to standard treatments, or that have multiple disorders.

MAKE US A PART OF YOUR TEAM

- Dr. Hooi is happy to consult with you about difficult internal medicine cases to determine if a referral might be beneficial.

HOW TO REQUEST A REFERRAL

- Please fill out the referral request form (available as PDF or online form) at bbvsh.com.
