

# BOUNDARY BAY

VETERINARY SPECIALTY HOSPITAL

**Moments matter...seconds count.**

When your furry family member needs care,  
we're here for you.

## REFERRALS

We provide specialized diagnostics and care for the most complex and difficult medical and surgical problems.

Specialty services include critical care, surgery, internal medicine, cardiology, neurology, oncology, diagnostic imaging, and animal rehabilitation.

---

## EMERGENCIES 24/7

We handle all emergencies and specialize in complex cases and severe trauma.

## EXPERIENCING AN EMERGENCY?

Come directly to our hospital, no appointment needed.
